

The Dog
Slow Club

Hello!

I really love Slow Club and this is my first tab for their song The Dog, which according to Charles and Rebecca, is about their tour van called the Dog. Please pardon me if there are any mistakes, and feel free to comment on your thoughts. Here is a session of Slow Club s unplugged performance, refer to it for strumming patterns.

<http://www.youtube.com/watch?v=qyk02eK7Qz8>

Enjoy & Hope ya ll like it!

P.S. Sorry for some of the names of the chords, I made some up.

Capo 2nd fret

```

E | --2-----9-----7-----5-----3-----2-----3-----5----- |
B | --3-----10-----8-----3-----3-----2-----3-----5----- |
G | --2-----9-----9-----4-----4-----2-----4-----6----- |
D | -----5-----4-----2-----5-----7----- |
A | -----2-----2-----5-----7----- |
E | -----3-----2-----3-----5----- |
      D      D2      Em      Gaad9      G      Bm      A      G2      A2

```

D D2 Em Gaad9 G D

D D2 Em Gaad9 G D
I used to think you were a boy, you played the violin

D D2 Em Gaad9 G D
I used to think you were a boy, you played the violin

Bm A
But you would always shake

Bm G A
around sixty-five

Bm A
I wanted to know,
G G2

where I stood in your life

A2 G2 A2

He is watching and he doesn't care

D Bm A

Well it's easy now

G A G A

Now your one the drive glass of water and ice

D Bm A

Well it's easy now yeah

G A G A

They stole your sound but we'll still sing out

D D2 Em Gaad9 G D

D D2 Em Gaad9 G D

After everybody else has gone, we'd go to that country bend

D D2 Em

By the reservoir shaped like South America

Gaad9 G D

I think about the things time can't mean

D

cos we don't live forever

Em A

Own on they skates

Bm G A

they opened up your chest

Bm A

I am glad that I knew you

G

while you were at your best

D Bm A

Well it's easy now

G A G A

Now your one the drive glass of water and ice

D Bm A

Well it's easy now yeah

G A G A

They stole your sound but we'll still sing out

D Bm A

Well it's easy now

G A G A

Your in the north oh my God I lost

D D2 Em Gaad9 G D

D

Ooooooouuoouoohh~~~

--The End--
