

Somebody To Smother  
Slow Runner

Hey guys. This is my first chording ive posted. Im a huge Slow Runner fan and was kind of upset not to see more of their music chorded out. To anyone who was feeling the same way, I hope this helps. Thanks!

Play using barre chords

F# B  
You got out, come back  
F# B  
Smelling like a sad song  
F# B  
Spilt drinks, bar smoke  
F# B  
All that conversation  
C# G#  
To find you somebody to smother  
C# G# C#  
F#  
Take me please I m in need of a body to smother me  
B  
Call once, call twice  
F# B  
Show up uninvited  
F# B  
Strange love, stretched love  
F# B  
Sad love unrequited  
C# G#  
Wanna find you somebody to smother  
C# G# C#  
Take me please I m in need of a lover to smother me

This instrumental section steps down from **F#** to **F** to **E** then jumps back to **F#**.  
Repeat

The rest is the same as before

I m just a blank page

Starring up at the ceiling

A target, an outlet For all your pent-up feeling

Wanna find you somebody to smother

Take me please I m in need of a body to smother me

You wanna find you somebody to smother

Take me please I m in need of a good smothering
