Listen close, and don t be stoned

**C** **Bb**  
I ll be here in the morning

**Bb** **C**  
Cause I m just floating

**Bb** **C**  
Your cigarette still burns

**C** **Bb**  
Your messed-up world will thrill me

**Bb** **C**  
Alison, I m lost

[Chorus]

**F** **Bb**  
Alison, I said we re sinking

**F** **Bb**  
There s nothing here but that s o kay

**F** **Bb**  
Outside your room, your sister s spinning

**Bb** **Eb** **F**  
But she lies, tells me she s just fine

**F** **C** **Bb** **F**  
I guess she s out there somewhere

[Verse 2]

**Bb** **C**  
And the sailors they strike poses

**C** **Bb** **C**  
TV covered walls, and so slowly

**Bb** **C**  
With your talking and your pills

**C** **Bb**  
Your messed-up life still thrills me

[Chorus]

**Bb** **C**  
Alison, I m lost

**F** **Bb**  
Alison, I ll drink your wine

**F** **Bb**  
I wear your clothes, when we re both high

**F** **Bb**  
Alison, I said we re sinking

**Bb** **Eb** **F**  
But you laugh and tells me it s just fine

**F** **C** **Bb** **F**  
I guess she s out there somewhere
