

Alison
slowdive

This is my acoustic version of my favorite song that I love to strum along to with.

Standard Tuning

```
e|--0-----0-----|
B|--2---4---7---0-----|
G|--1---4---7---2-----|
D|--2---4---7---2-----|
A|--0---2---5---1-----|
E|-----0-----|

    G    A    C    D
```

[Verse 1]

```

    G                A
Listen close, and don t be stoned

    A                G
I ll be here in the morning
    G                A
Cause I m just floating
    G                A
Your cigarette still burns
    A                G
Your messed-up world will thrill me
    G    A
    Alison, I m lost
```

[Chorus]

```

    D                G
Alison, I said we re sinking

    D                G
There s nothing here but that s o kay

    D                G
Outside your room, your sister s spinning

    G    C                D
But she lies, tells me she s just fine
    D    A                G    D
I guess she s out there somewhere
```

[Verse 2]

```

    G                A
And the sailors they strike poses

    A                G    A
TV covered walls, and so slowly
```

G **A**
With your talking and your pills

A **G**
Your messed-up life still thrills me

[Chorus]

G **A**
Alison, I m lost

D **G**
Alison, I ll drink your wine

D **G**
I wear your clothes, when we re both high

D **G**
Alison, I said we re sinking

G **C** **D**
But you laugh and tells me it s just fine

D A **G** **D**
I guess she s out there somewhere
