[Verse 1]

B **C#**
Listen close, and don t be stoned

C# **B**
I ll be here in the morning

B **C#**
Cause I m just floating

B **C#**
Your cigarette still burns

C# **B**
Your messed-up world will thrill me

B **C#**
Alison, I m lost

[Chorus]

F# **B**
Alison, I said we re sinking

F# **B**
There s nothing here but that s o kay

F# **B**
Outside your room, your sister s spinning

B **E** **F#**
But she lies, tells me she s just fine

F# **C#** **B** **F#**
I guess she s out there somewhere

[Verse 2]

B **C#**
And the sailors they strike poses

C# **B** **C#**
TV covered walls, and so slowly

B **C#**
With your talking and your pills

C# **B**
Your messed-up life still thrills me

[Chorus]

B **C#**
Alison, I m lost

F# **B**
Alison, I ll drink your wine

F# **B**
I wear your clothes, when we re both high

F# **B**
Alison, I said we re sinking

B **E** **F#**
But you laugh and tells me it s just fine

F# **C#** **B** **F#**
I guess she s out there somewhere
