

**Politics Music And Drugs**  
**Slowreader**

This isnt really a NEW band...It started as the side project of Rory and Gabe of the  
Impossibles(really good ska pop). You can find it on Less than Jakes label  
Fueled by  
Ramen. They are really really worth looking into..this is right so enjoy.

v.1

**C**  
curious of many things but  
**G**  
too lazy to move  
**C**  
far enough to spread the wings  
**G**  
are stuck on with hot glue

chor

**F**            **G**            **C**  
if the cloud cover main-  
  
tains its rain all summer I ll  
**F**            **G**            **C**  
still shine pay all wide  
**F**            **G**            **C**  
next to a tender ton

**Am**

one in place of the innocent girl  
**F**            **G**            **C**  
i hard--ly understand

v.2

**C**  
perfect in most social gatherings  
**G**  
of no more than 10  
**C**  
perfectly groomed people  
**G**  
keeping tabs on what they spend

chor. 2

**F**            **G**            **C**  
I don t have many ways

to tame the boring but

**F G C**

if you d like to stay

I ll tell you all I know

**F G Am**

about politics, music, and drugs

**F G C**

and then -- its time to go

**C Am Em G**

bridge.....oooh.....aaaaaaah.....repeat til

**C Am**

Dear, I ve looked and looked for days

**Em G**

but found, only at this point I ve strayed

**C**

between my ears

**Am Em**

and i could almost say a sound

**G**

**C**

but I d rather sit and stare with you my Dear.....repeat til end
