

1994

Slutever

**D** **F**  
Crashing in your dorm room

**A#** **A**  
Smoking on your floor

**D** **F**  
Listening to nevermind

**A#** **A**  
In 1994

**D** **F**  
Trash the plaid

**A#** **A**  
Lower the flag

**D** **F**  
Live through this feels bored

**D** **F**  
Dressed in black like courtney love

**A#** **A**  
In 1994

**D** **B**  
River s gone with persian brown

**G** **F** **E**  
High tops on his feet

**D** **B**  
Thought they knew him till they saw him

**G** **F** **E**  
Passed out on the street

**D** **F**  
I love you to death

**A#** **A**  
But it just wasn t enough

**D** **F**  
Everything s a mess

**A#** **A**  
In 1994

**D** **F**  
Now my bleach blonde roots

**A#** **A**  
Finally come undone

**D** **F**  
Paranoid and trapped indoors

**A#** **A**  
In 1994

**D**  
Friday night

**F**  
Reality bites

**A#**                    **A**  
Everyone s burnt out

**D**                                    **F**  
The familiar purr of anxiety

**A#**    **A**  
In 1994

**D**                                    **B**  
The world outside has got me down

**G**                                    **F**    **E**  
Im too tired to sleep

**D**                                    **B**  
Thought i knew the answers to you

**G**                                    **F**    **E**  
Now you re buried deep

**D**                                    **F**  
I love you to death

**A#**                                    **A**  
But it just wasn t enough

**D**                                    **F**  
Everything s a mess

**A#**    **A**  
In 1994

**D**  
Life s a drag

**B**  
I feel so worn

**G**                                    **A**  
Wish i was more like audrey horne

**D**  
Over this scene

**B**                                    **G**                                    **A**  
These ripped up jeans suddenly feel dead to me
