

Dreaming  
Smallpools

Intro: **F Am G G**

**F Am G**  
I see the place that we ve been locked together, together  
**G Em F**  
Like we were something more  
**F Am G**  
And it felt like maybe we could last forever, forever

**G Em F**  
But you led em to our hideout  
**F C/E**  
Forced their way inside, now  
**G**  
They want us to surrender, us to surrender  
**Em F**  
But I could go all night right here  
**C/E**  
Between their crossfire  
**G**  
We ll send them up a message  
**G**  
I ll send the message saying give it up, give it up

**Dm**  
We ve got no place to go  
**C**  
Caught up in the rodeo  
**G Am Em**  
Oh no, please God tell me we re dreaming  
**F**  
We ve got nowhere to run  
**Dm**  
They ve all got loaded guns  
**Am G Em**  
Oh no, please God tell me we re dreaming  
**F Am**  
Oooh ooooh ooooh  
**G**  
Ahhh Ahhhhhh Ahhh  
**Am Em**  
Please God tell me we re dreaming

**F Am G**  
Wait for the dust to settle down around us, around us  
**G Em F**  
And stick to what we know

**F**                      **Am**    **G**

<b>G</b>	<b>Em</b>	<b>F</b>
The world is in your palm now		
<b>F</b>		<b>C/E</b>
So take a breath and calm down		
<b>C/E</b>		<b>G</b>

Cause you have been selected, you ve been selected

G                  Em        F  
A few will ever find out  
F                                  C/E  
And if you don t see why, well  
C/E                                      G

At least you've got your nest egg, you've got your nest egg

**G**  
So live it up, live it up!

**Dm**  
We ve got no place to go
