

Dreaming
Smallpools

Intro: **F Am G G**

F **Am** **G**
I see the place that we ve been locked together, together

G **Em** **F**
Like we were something more

F **Am** **G**
And it felt like maybe we could last forever, forever

G **Em** **F**
But you led em to our hideout

F **C/E**
Forced their way inside, now

G
They want us to surrender, us to surrender

Em **F**
But I could go all night right here

C/E
Between their crossfire

G
We ll send them up a message

G
I ll send the message saying give it up, give it up

Dm
We ve got no place to go

C
Caught up in the rodeo

G **Am** **Em**
Oh no, please God tell me we re dreaming

F
We ve got nowhere to run

Dm
They ve all got loaded guns

Am **G** **Em**
Oh no, please God tell me we re dreaming

F **Am**
Oooh oooh oooh

G
Ahhh Ahhhhhh Ahhh

Am **Em**
Please God tell me we re dreaming

F **Am** **G**
Wait for the dust to settle down around us, around us

G **Em** **F**
And stick to what we know

F **Am** **G**
I think the air is finally safe to breathe again, to breathe again

G **Em** **F**
The world is in your palm now

F **C/E**
So take a breath and calm down

C/E **G**
Cause you have been selected, you've been selected

G **Em** **F**
A few will ever find out

F **C/E**
And if you don't see why, well

C/E **G** **G**
At least you've got your nest egg, you've got your nest egg

G
So live it up, live it up!

Dm
