Bar chords: G- 355433 A-577655 etc.

**There?s a Riff midway in that above my tabbing abilities, if someone gets it,
by all means fix mine! The
chord for the riff is FFFFFFFE x 4 (it?s a 2-bar pattern)**

Intro Riff:

A G C E x2

Verse:

A G C E

You hung the hopes of the world

A G C E

On a shining star

A G C E

Ready to give just a glimpse

A G C

A little-bit-of-who you are

G A C

The heavens wink on a midnight clear

F C

Takes me back 30 years

A G C

And again I hear:

Chorus

G C

Glory Glory angels sing

F A

To the now and always King

G C

Glory to the one who brings

A G C

Little-bit-of-who you are

Intro riff

Verse 2

A G C E

I lay my head in a pasture bed

A G C E

To this very day

A G C E

There are few of us left to the Master's work

A G C

Is it true help is on the way?

G A C

When the faintest flickers above are gone

F C

And the shepherd greets me with dawn

A G C

Saying: I am the one

Chorus

Riff I don't know

F G A

Suddenly there's nothing left of him

F

But a light burning deep within me

**The Choruses start doing funny stuff here **

(First 2 verses whispered and muted)

Glory Glory angels sing

To the now and always King

Glory to the one who brings

Peace and life and everything

(A little more cymbals and louder guitar)

Glory Glory angels sing

To the now and always King

Glory to the one who brings

Peace and life and everything

(Maxed out guitar and Cymbals)

Glory Glory angels sing

To the now and always King

Glory to the one who brings

Little-bit-of-who you are
