Beautiful Bomb
Smash Mouth
Summer Girl (2006)

[Verse]

E
Your asteroids bounce off her
G#
Like a trampoline
C#m **A**
Sometimes all she can do is shake

Looking out for you and I

And all she sees
C#m
Is everybody making big mistakes
A
Taking what they should just leave
B
You give it away for free now

Fools talking bout there s enough
G#
Room for just one of us
C#m **A**
Sometimes all I can do is laugh
E
But the joke is getting tired
G#
And old and dangerous
C#m **A**
And the ink ran out on the laugh-o-meter graph

I suggest you fire your staff

It s getting so obnoxious
