Verse 2:

Another day in the sun I m having fun
Feel the heat sneaking up on me
I take a look in the sky a plane goes by
Is that the reason that I can t breathe
I take a look and I wonder why
Why these birds don t fly
It s hard for me to see and I believe, my oh my

Chorus:

Come on, come on, and tell me, why you re staring?
Come on, come on, it must be what I m wearing
Come on, come on, and tell me why s it takin so long
for you to recognize and stop

(Keyboard Fill)

Verse 3:

I took a trip to the bar, does my money go far
Can you show me just how to spend it
Moving around I like the sound
I find myself looking pretty stupid
If I had a guess, she s he in a dress
I better slow my drinking down
If I don t get it together tonight
They re gonna run me out of town

Chorus:

Come on, come on, and tell me, why you re staring?
Come on, come on, it must be what I m wearing
Come on, come on, and tell me why s it takin so long
for you to recognize and stop stop stop stop

Come on come on and tell me why you re staring
Come on come on and stop
