

Hang On
Smash Mouth

[Verse 1]

C **F** **G**
Things are getting weird, things are getting tough
F **C**
Nothing s making sense but you keep on looking up
F **G**
They tell you to be true, you re trying every day
F **C**
You keep it on the real, still you gotta find a way
F **G**
To make your mama happy, to make your papa proud
Am **G** **F**
You gotta turn it up but all you hear is turn it down

[Pre Chorus]

F **C**
So gather round I m here to say
F **C**
You ll never make everybody s day
F **C**
But while you re around you might as well
D **F**
Catch the tiger by his tail

[Chorus]

C
And hang on hang on hang on
F
Everybody just
G **F**
Get on get on get on get started
C **F**
Just go on go on go on
D **F**
Everybody just hold on

[Verse 2]

C **F** **G**
Sometimes I wanna cry and throw the towel in
F **C**
They try to beat me down but I ll take it on the chin
F **G**
And everywhere I go the people are the same
F **C**

They just wanna know that everything will be OK

Things are getting rough, you ll turn it back around

You gotta turn it up when they tell you tone it down

[Pre-Chorus]

So gather round I m here to say
You ll never make everybody s day
But while you re around you might as well
Catch the tiger by his tail

[Chorus]

And hang on hang on hang on
Everybody just
Get on get on get on get started
Just go on go on go on
Everybody just hold on
Just get oh - oh - onnnnnn
