**Smash Mouth**

Artist: Smash Mouth

Song: Shoes N Hats

Album: Smashmouth

Tabbed By: DatKlaw Nye the Guitar Tab Guy :)

Hey everyone, this is a great song from a great band on a great album, and it is substantially easy to tab and play. All you have to remember is the odd rythm the song has and you re all set!

Verse 1:

**C** **G** **C** **G** **D** **G**  
The shoes you wear, ain t the shoes I wear but I don t care.

**C** **G** **C** **G** **D**  
**G**  
You ve got things to say. But they re thrown away, cause they re so passe

**C** **D** **C**  
To them, they, who are the anyway? They re just beating each other at

**D** **C-C-G**  
Being each other with nothing to say.

Verse 2:

**C** **G** **C** **G** **D**  
**G**  
Now everyone cares, cause the hat that he wears is on the wrong way!

**C** **G** **C** **G** **D** **G**  
And I heard them say, Don t be square! So square we ll stay without

**C** **D** **C**  
Them, they, who are they anyway? They re just beating each other at

**D**  
Being each other with nothing to say.

Chorus:

**C** **G** **D** **C**  
I m holding on to my old man s sneakers,

**C** **G** **D** **C**  
Just going deaf to my hi-fi records and,

**C** **G** **D** **C** **Am**  
Hangin round at the pawn shop waiting for nothing to change,

D

C-C-G

Cause anything strange is wrong.

Verse 3:

Now here we are, in a dead man s car going to the show.

In my old chapeau, well it s full of holes, but it s got more soul  
then them, they, who are they anyway? They re just beating each other at  
being each other with nothing to say?

Chorus

And there you go! One last thing, end on the C-C-G thing and the song is done!  
Tah-dah!
