Get away from

Don t know where you re going

But you know where you ve been

Time isn t kind now all the years are showing

You don t think it s broke

So you don t wanna fix it

Don t have a clue

Walk away just forget it s you

Get away from you, from you, get away from you

BRIDGE:

Eb

Caught in the middle

What s right, what s real

The grass isn t greener, on your side of the fence

I die a little daily

No one can see

I need my own prescription

For a miserable life

If you can t dance
Then you can t dance with me
You better bring your own, I only brought enough for me
My best friend is my own prophecy
That s what you get when you come along with me
Come along with me, come along with
