BRIDGE:

Eb
Caught in the middle
What s right, what s real
The grass isn t greener, on your side of the fence
I die a little daily
No one can see
I need my own prescription
For a miserable life

If you can t dance
Then you can t dance with me
You better bring your own, I only brought enough for me
My best friend is my own prophecy
That s what you get when you come along with me
Come along with me, come along with
