Bb **Fm** **F#**
i m looking at my watch

G# **Bb**
and all the time that s been stolen

Bb **Fm** **F#**
when i was carrying you

G# **Bb**
it seems i m tripped and i ve fallen

Bb **Fm** **F#**
don t want no one to ache

G# **Bb**
oh to be drunk and forgetful

Bb **Fm** **F#**
to get out of this unscathed

G#
oh to be free and inhuman

F# **G#** **A#m** **B**
some may say i love to play

C# **F#** **F#-G#**
when the chance is there to take

i m mopping up the floor
the messy recipes of romance
i m packing up the pots
too many cooks in the kitchen
some may say i love to let
a good thing go to waste
i let it go to waste (repeat)
i m lookin at my watch
and all the time that s been stolen
when i was carrying you
it seems i ve slipped and i ve fallen
