

**Dont Forget Me
Smash**

E
They thought they could dispose of me

A
They tried to make me small

E
I suffered each indignity

A
But now rise above it all

C#m
Yes, the price I paid was all I had

A
But at last, I found release

D
And if something good can come from bad

A
The past can rest in peace

E
Oh if you see someone s hurt

And in need of a hand

A
Don t forget me

E
Or hear a melody crying from some baby grand

A
You don t forget me

C#m
When you sing happy birthday to someone you love

A
Or see diamonds you wish were all free

E
Please say that you won t;

B **E**
I pray that you don t forget me

F
But forget every man who I ever met

Bb
Cause they only lived to control

F
For a kiss they paid a thousand

Bb
Yet they paid fifty cents for my soul

Dm

They took their piece

Bb

The price of fame that no one can repay

D#

Ah, but they didn't buy me when they bought my name

C

And that is why I pray

F

That when you see someone's hurt

And in need of a hand

Bb

You don't forget me

F

Or hear a melody crying from some baby grand

Bb

You don't forget me

Dm

When you sing happy birthday to someone you love

Bb

Or see diamonds you wish were all free

F

Please say that you won't;

C

F

I pray that you don't forget me

Bb

There are some in this world who have strength on their own

F

Never broken or in need of repair

C#

But there are some born to shine who can't do it alone

D#

F

So protect them and take special care

F#

Take care

F#

And don't forget me

B

Please take care

F#

And don't forget me

D#m

When you look to the heavens with someone you love

B

And a light shining bright from afar

F#

Hope you see my face there

C#

And then offer a prayer

Bm

And please let me be

F#

Let me be that star
