

**Second Hand White Baby Grand
Smash**

Asus2

My mother bought it secondhand

Bdim/A A

From a silent movie star

Asus2/C#

Dsus2 D

It was out of tune but still I learned to play

F#m D

And with each note we both would smile

F#m C#m

Forgetting who we are

Dm E Asus4

And all the pain would simply fly away

D A

Something secondhand and broken

D A

Still can make a pretty sound

D/F# A/E B/D# C#/F

Even if it doesn't have a place to live

F#m A/E

Oh, the words were left unspoken

F#m/D# Dm

When my Mama came around

A/C# Dm

But that Secondhand White Baby Grand

F#m E Asus2 A

Still had something beautiful to give

Bbsus2

Through missing keys and broken strings

Cdim/Bb Bb

The music was our own

Bbsus2/D Ebsus2 Eb

Until the day we said our last goodbyes

Gm Eb

The baby grand was sent away

Gm Dm

A child all alone

Ebm F Bb

To pray somebody else would realize

Eb Bb

That something secondhand and broken

Eb Bb

Still can make a pretty sound

 For many years the music had to roam
Dm **E**
 Until we found a way to find a home

 So now I wake up every day
Bdim/A **A**
 And see her standing there
Asus2/C# **Dsus2** **D**
 Just waiting for a partner to compose
F#m **D**
 And I wish my mother still could hear
F#m **C#m**
 That sound beyond compare
Dm **E** **Asus4** **A**
 I'll play her song till everybody knows

D **A**
 That something secondhand and broken
D **A**
 Still can make a pretty sound
D/F# **A/E** **B/D#** **C#/F**
 Don't we all deserve a family room to live
F#m **A/E**

 Until everyone has found

 That Secondhand White Baby Grand
