

Nowhere Kids

Smile Empty Soul

in the land of dirt and plaster
lies an army of a thousand nowhere kids
losing ground and falling faster
into a life that no one should have to live

(A5) (D5) (E5) (F5) (C5) (G5)
we are the people that you hate
(A5) (D5) (E5) (F5) (C5) (G5)
we are the bastards that you created
(A5) (D5) (E5) (F5) (C5) (G5)
a generation with no place
(A5) (D5) (E5) (F5) (C5) (G5) ((A5) (C5) (G5))(4x)
a generation of all your sons and daughters

(A5) (D5) (E5) (F5) (C5) (G5)
behind the fake family image
(A5) (D5) (E5) (F5) (C5) (G5)
behind the smile of a thousand moms and dads
inside the cage that we ve been given
i see an image of the future that we don t have

(chorus)

(A5) (C5)
and what did you expect ... a perfect child
(A5) (C5)
raised by tv sets ... abandoned every mile
(A5) (C5)
we never get respect ... never a fair trial
(A5) (C5) ((A5) (G5))(12x)
no one gives a shit ... as long as we smile
