

**As The Snowflakes Fall**  
**Smith & Burrows**

**Am Em Am Em**  
As the snowflakes fall, catch the moonlight  
**E7m Am E7m Am**  
Still not sleeping, my heavy heart beating  
**Dm C E7m**  
Beats for a loneless love

**Am Em Am Em**  
Down at the waterhole, good people swilling  
**E7m Am E7m Am**  
From the bottles they drink, to good times got willing  
**Dm C E7m**  
Just like some fairytale,  
**Dm C E7m**  
feels like some otherworld

**F C E7m Am**  
Our resiples that are Children singing  
This is Christmas, show time forgiving

**Dm C E7m**  
You took it all away  
**Dm C E7m**  
You took your love away

**Am Em Am Em**  
All the memories I had of this clouded Christmas  
**E7m Am E7m Am**  
Shadow before me, as I hold them between my fingers  
**Dm C E7m Am**  
I need to feel something, in my heart.

**Dm C E7m**  
Just like some fairytale,  
**Dm C E7m**  
feels like some otherworld

**F C E7m Am**  
Our resiples that are Children singing  
This is christamass, show time forgiving

**Dm C E7m**  
You took it all away  
**Dm C E7m**  
You took your love away

**Am Em Am Em**

All the memories I had of this clouded Christmas

**E7m**      **Am**                      **E7m**      **Am**

Shadow before me, as I hold them between my fingers

**Dm**      **C**      **E7m**                      **Am**

I need to feel something, in my heart.

**Am**      **Em**                      **Am**      **Em**

Down the Broadway, salvation only

**E7m**      **Am**                      **E7m**      **Am**

warming chords from a dream, right where you'll find me

**Dm**      **C**      **E7m**                      **Dm**      **C**      **E7m**

Just like another world, you took your love away
