I, I ve been keeping secrets from you dear

There s things of me are scared and you re my fear

The crack goes in the ground

Wonder what goes on in my head  
**G A D**  
And so I shut you out

**Bm A D**  
And I guess that we don t need to be falling apart

But you will always have a special place in my heart

I never wanted this to end, can you forgive me friend?

Cause I fell in the hole, in the hole, in the hole  
**Bm A D**  
My heart was turning cold, turning cold, turning cold

I never wanted this to end, can you forgive me friend?

Can you forgive me friend? Forgive my ugly heart

**G A Bm G A D**  
I never wanted this to end, can you forgive me friend?

[Chorus]

**Bm A D**  
Cause I fell in the hole, in the hole, in the hole  
**Bm A D**  
My heart was turning cold, turning cold, turning cold
