

Still New

Smith Westerns

Song: Still New

Artist: Smith Westerns

Album: Dye it Blonde

This is my very first tab, done mostly by ear/referring to their acoustic performance for Rolling Stone magazine (see: <http://www.youtube.com/watch?v=C6Z9Fq7Wwuc>). Not sure about a couple of chords and some of the timing is off so feedback for improvement would be much appreciated :)

C Em Am/Am add 11 (alternating strums - listen to the song for the rhythm) x2

C Em Am/Am add 11 (alternating strums)

No doubt it s you I think and dream about

C Em Am/Am add 11 (alternating strums)

And oh could it be possible for you to be with me?

C Am Em  
And are you glamour amorous?

C Am Em  
Shemite eyes make it so obvious

C Am Em  
I wanna tell you you re hard to resist

C Am Em  
I wanna tell you you re hard to resist

Dm G  
And if this is all that you know,

C Cmaj9 Am  
Don t go in alone

Dm G  
And if this is all that you know,

C Cmaj9 Am F G  
Don t go in alone

C Em Am/Am add 11 (alternating) x2

C Em Am/Am add 11 (alternating)

Go away, it s time for you to come away

C Em Am/Am add 11 (alternating)

Oh would you think it s hard for me to stay this way?

C Am Em  
But are you glamour glamorous?

C Am Em  
Shemite eyes make it so obvious
