Here s a song from the Smithereens, ESPECIALLY FOR YOU album. This is indeed my first time posting so if y all got any comments, please tell me before i get into a bad habit! Like I said, I m really clueless so if this winds up in pub/guitar/s/smithereens I would be most gracious!

Cigarette

(intro)

G//|D//|E//|F#//|

(versel)

A **E** **G** **D**
smoked my last cigarette, sat in bed for a while,
F **C** **D** **E**
thought of your face and that brought me a smile,
A **E** **G** **D**
wanted another one, fell back asleep instead,
F **C** **D** **E**
woke and found you sitting there on the bed

(chorus)

G **D** **A** **E**
cigarette, cigarette, burning up time.
G **D** **A** **E**
cigarette, cigarette, watch the smoke climb.
G **D** **A** **E**
cigarette, cigarette, wasting away...
G **D** **A** **E**
just like this cigarette, our time is running down,
G **D** **E** **F#**
only one hour til you re leavin this town.

(bridge)

G **D** **A** **E**
ooh, ooh, ooh, ooh,
G **D** **A** **E**
ooh, ooh, ooh, ooh,
G **D** **A** **E**
just like this cigarette, our time is running down,
G **D** **E** **F#**
only one hour till you re leavin this town.

(verse2)

walked to the corner store, bought us another pack,
held my arm round you as we headed back.

I tried to change your mind, didn't want you to go,
I love you more, I think, than you will ever know.

(repeat chorus)

(coda)

smoked one last cigarette, sat in bed for a while,
thought of your face and that brought me a smile...
