

A Change Of Days
Smiths Cloud

Smith s Cloud - A Change Of Days

As interpreted by Dempario

As made famous or at least known to me through the video of the blind kitten playing with a ball from College Humor. There are notes at the bottom and a tab for the harmonica solo, if you wish to play that.

INTRO.

C x4

VERSE I.

C **G** **Am**
You shake it baby all day and all night

C **G** **Am**
You are getting tired of the wait

C **G** **Bb** **F**
Letâ€™s throw the wrench into the notes and rhyme

Am **G** **C**
And weâ€™ll call it a change of days

C **G** **Am**
And all the changes of the water and wine

C **G** **Am**
I see the metaphor this way

C **G** **Bb** **F**
Letâ€™s throw a wrench into the space and time

Am **G** **C**
For the sake of a change of days

CHORUS.

F **Am** **G**
So come on all you people ainâ€™t it hard for you to know

Am Gadd4 **G**
Celebrate in all the things you say

C **G** **Bb** **F**
The part where everything is safe or explodes

Am **G** **C**
And weâ€™ll call it a change of days

HARMONICA SOLO. (Tab in the bottom notes)

C **G** **Am** **Am**
C **G** **Am** **Am**
C **G** **Bb** **F**
Am **G** **C** **C**

INTERLUDE. (Oooh...)

C **D7**
Am **D7**

VERSE II.

C **G** **Am**
Say can you see the shiny place in the sky

C **G** **Am**
Sick of your wandering through the haze

C **G** **Bb** **F**
They say we go to a better place when we die

Am **G** **Am**
And they call it a change of days

Am **G** **C** **Csus4** **C**
And they call it a change of days

NOTES.

At the end of the last verse, note that it s Am-G-Am the first time, as opposed to **Am-G-C** as before.

If you wish to play the harmonica solo on a guitar, you could play it something like this (you should be able to figure out the timing yourself):
