

Feather By Feather

Smog

(B) You spend half of the morning
Just trying to wake up
Half the evening
Just trying to calm (E) down
(F#) And you live for the same things
We live for
The same things
(F#7) A cloudburst seems rarer every (B) time

And its crow vs. (E) crow
A brawl in mid-(F#)air
Beak click on beak (B) clack
No reason is (E) there
But for the brawl in mid-(F#)air
(B)

If youre losing your (E) wings
Feather by (F#) feather
(C#m) Love the way they whip away
(B) On the wind
(C#m) Love the way they whip away
(F#) On the wind

(B)

When they make a movie of your life
Theyre going to have to ask you
To do your own (E) stunts
Because (F#) nobody nobody nobody
Could pull off the same shit as you
And still come out (B) alright

If you re losing your (E) wings
Feather by (F#) feather

(C#m) Love the way they whip away
(B) On the wind
(C#m) Love the way they whip away
(F#) On the wind
(B)
