

Say Valley Maker

Smog

Tune Half-step down (just makes it easier, but you kinda dont have to)

[Chord patterns]

[Strummed Chords]

(when you see them, you know to strum instead of pick as above)

C/G (332010)

Dm/A (x00231)

[Intro]

C

[Verse]

	C
With the grace of a corpse	
Am	
In a riptide,	
C	
I let go	
Am	
And I slide, slide, slide	
C	
Downriver	
Am	
With an empty case	
C	
By my side	
Am	
An empty case	
C	
That s my crime	
F	

And I sing (Say, valley maker!)

C

To keep from cursing

F

And I sing (Say, valley maker!)

C

To keep from cursing

Am C

River old, river end

Am C

River old, river end

Am C

River gone, river bend

F

Take me to the sweet valley

C

Where your heart bloom, bloom, blooms

F

Take me to the sweet valley

C

Where your heart is covered with dew

[Chorus]

(2 extra measures of C)

C+ Am

And when the river dries

C (double length)

Will ya bury me in wood?

C+ Am

And where the river dries

C (double length) C+

Will ya bury me in stone?

Am (3x length)

And I never realized... death is what it meant...

[Verse]

C

to make it on my own

F

Cuz there is no love,

C

Where there is no obstacle

F

And there is no love

C

Where there is no bramble

F

And there is

C

On the hacked-away plateau

F

And there is no love

C

In the unerring

F (double length)

And there is no love

C

On the one true path

Am (double length)

Well, I cantered out here,

C/G

Dm/A

Now I m galloping back

[Chorus]

C/G

Dm/A

So bury me in wood, and I will splinter

C/G

Dm/A

Bury me in stone, and I will quake

C/G

Dm/A

Bury me in water, and I will geyser

C/G

Dm/A

Bury me in fire, and I m gonna phoenix

C/G

Dm/A

I m gonna phoenix

[Outro]

C/G **Dm/A**

(repeat ad nauseum and end on **C/G**)
