CAPO on 2!

Dsus: XX0233

You ll need to fiddle around with little hammers on, runs and fills, but this is the idea. Particularly when it comes to the D/Dsus/Dsus2 variations. Also for the E chord want to hammer on your pinky to the 2nd fret of the B string. And a lot of the stuff on uses the same hammer on. Enjoy!

the chord letters may be out of line, you ll have to figure out where they go in to the lyrics

A forms the intro then:

I cant be held responsible for the things I say

A **A**

For I am just a vessel in vain

E **A**

And I cant be held responsible for the thing I see

A

For I am just a vessel in vain

E **A**

No boat out on no ocean

Dsus D Dsus D A (maybe experiment here with a couple of Asus2 varia.)

Dsus D Dsus D A
