

**My Girl**

**Smokey Robinson**

n.c        **C**            **F**                            **C**    **F**  
Ive got sunshine on a cloudy day  
                  **C**                            **F**                            **C**            **F**  
When its cold outside ive got the month of may  
**C** **Am**    **F**        **G**  
I Guess you d say  
**C**            **Am**            **F**                            **G**  
what can make me feel this way  
**C**  
My Girl

The song continues so on and so forth as such.....awesome oldie that never gets old
