G D
Ain t it funny how it works
A D
You chase something all you life
G D A
When you find it when you d finally given up
G D
When I least expected it
A Bm
The stars lined up just right
G D G D
And suddenly I found myself in love
G F# Bm G
When you re lyin next to me
Em A D
There s no place I d rather be on Earth
G F# Bm G Em A Bm F#m G
It s strange how simple love can be ain t it funny how it works
