

And The Night Stood Still  
Smokie

E A F#m B E

A

I still remember oh the night we first met

F#m

Bm

The moment you looked in my eyes I never will forget

E

A

And I remember oh the first time that we first kissed

F#m

A

Remember thinking to myself could it really be like this

E

And we danced beneath the midnight moon

A

And I took one look, one look at you

F#m

Bm

E

And I fell in love and before I knew the night stood still

And we moved so sweet, sweet and slow

A

F#m

To the rythmn of the radio and then your arms reached out

Bm

E

Held me close and the night stood still

A

I still remember the song that they were dreaming

F#m

Bm

And if I close my eyes I swear we're back there again

E

A

Do you remember oh the way you used to be

F#m

A

We were two hearts on the run, so young and wild and free

E

And we danced beneath the midnight moon

A

And I took one look, one look at you

F#m

Bm

E

And I fell in love and before I knew the night stood still

And we moved so sweet, sweet and slow

A

F#m

To the rythmn of the radio and then your arms reached out

Bm

E

Held me close and the night stood still
