

Changing All The Time
Smokie

G C D

So you caught a glimpse of someone you once knew

And you seem to find it hard to face the truth

Oh but that don't make it right

To be wanting me tonight

When your thoughts on love keep changing all the time

D

We both knew there'd be things you'd have to face

But is it true that I could never take his place

Oh but I can't read your mind

For the things you hope to find

When your thoughts on love keep changing all the time

G C D x 2

Now heaven knows I tried just everything I knew

But it seems there ain't no getting through to you

Yes I've played out every line

Still you can't make up your mind

Cos your thoughts on love are changing all the time

G C D, G C D

Oh but that don't make it right

To be wanting me tonight

When your thoughts on love keep changing all the time

G C D riff x 2
