

Hold On For The Night
Smokie

Intro:

D E A F#m
Hold on as love takes you through the night
D E A
Hold on for the night.

I:

A F#m
You can see along the beach for miles
D E
Where the waves kiss the sand
A F#m
Walking the beach there were two young souls
D E
Bare foot, hand in hand
D E
And all the dreams they had for each other
A F#m
Were burning in their hearts
Bm
Tonight they find true love
E
Tonight a fire starts.

II:

A F#m
As they long to each others passion
D E
A brand new love gave birth
A F#m
A fire so hot was burning within
D E
Like nothing else on earth
D E
And all the hopes they had for each other
A F#m
Were buried in their minds
Bm
Tonight a new desire
E
Tonight for lovingkind.

D E A F#m
Hold on as love takes you through the night
D E A
Hold on for the night
D E A F#m
Hold on for the love that burns so bright
D E A
Hold on for the night.

III:

A F#m
You could see the spangled heaven above
D E
As the stars lit the sky
A F#m
You could hear the distance sound from the shore
D E
As the waves caress the night
D D E
And all the dreams they had for each other
A F#m
Were buried in their minds
Bm
Tonight a new desire
E
Tonight for lovingkind.

D E A F#m
Hold on as love takes you through the night
D E A
Hold on for the night, darling...
D E A F#m
Hold on for the love that burns so bright
D E A
Hold on for the night.
D E A F#m
Hold on as love takes you through the night
D E A
Hold on for the night, darling...
D E A F#m
Hold on for the love that burns so bright
D E A
Hold on for the night.
