

Looking Daggers  
Smokie

verse 1:

**G**                  **Em**  
Just a glance from you  
**G**          **Em**              **G**          **Em**  **G**  **Em**  
Stopped me in my trance  
**G**                          **Em**  **G**  
Then you turned on  
**Em**                      **G**  **Em**  
Cold from the taxi  
          **G**                  **Em**  
And it s all I can do  
**G**  **Em**                      **G**  **Em**  **G**  **Em**  
To look you in the face  
          **Am**  
It s the look of love  
**C**                          **D**  
The thrill of the chase.

**C**                          **G**  
Do you like looking daggers at me  
          **D**                          **G**  
Does it hurt you or does it come naturally  
**C**                          **G**  
Do you like looking daggers at me  
**Am**  
Drag yourself over  
**C**                          **D**  **Em**  
Sit down and cut me.

verse 2:

**G**                  **Em**  
Well inside and out  
**G**          **Em**              **G**  **Em**  **G**  **Em**  
I feel as cold as ice  
          **G**                  **Em**  
Oh, and I m not asking  
**G**          **Em**              **B7**  **D7**  
For your showers of ice  
          **G**                  **Em**  
Oh, it s hard to believe  
**G**          **Em**              **G**  **Em**  **G**  **Em**

You re changing me  
Am  
You don t have to fight  
C D  
You can still beat me.

C G  
Do you like looking daggers at me  
D G  
Is it something you be or is it necessary  
C G  
Do you like looking daggers at me  
Am  
Drag yourself over  
C D Em  
Sit down and cut me.
