

Naked Love
Smokie

A

I ll kiss your lips, my finger tips

D A

Will know just what to do

tonight s the night that I will find

D E

the woman that s in you

A D A

I ll kiss you, caress you,slowly undress you

F#m

and we ll make love

D E

all night through

A E

Baby love me, lady love me

F#m D

Like no one ever could

A

I can never

E

Never ever

Bm D E

get enough naked love

A

Don t try to fight

What s locked inside?

D A

Just open up the door

Let me in, just give in

D E

to what you waited for

A

I ll touch you, tease you

D A

I m here just to please you

F#m

and we have got

D E

all night long
