

Never Made In Heaven
Smokie

C F C F

C
Where you going when the party s over

F
And the lights are going dim?

Dm
Will you be with the one you love

C
Or will you be with him?

Em
I can t hold on any longer

Am
To a fading memory

F
I can t fight any stronger

G
Do you wanna make a fool of me?

C
Hot nights can be full of power

F
Turns your head to another world

Dm
City lights with a neon burning

C
Change you into another girl

Em
I don t wanna lose this magic feeling

Am
To a night that s lost control

F
Give a thought to what you re meaning

G
Get a grip, don t lose your soul

F G Am
This night was never made in heaven

F G Am
This night was never meant to be

F G Am C
How could I know you had a reason to go

G
Ohhhh

C
Bright lights in a flashing moment

F

Blue eyes stare across the floor

Dm

Do you wanna leave this boy behind?

C

If you do then there s the door

Em

I don t wanna lose this magic feeling

Am

To a guy that lost control

F

Give a thought to what you re leaving

G

Don t make me feel so cold

F **G** **Am**

This night was never made in heaven

F **G** **Am**

This night was never meant to be

F **G** **Am** **C**

How could I know you had a reason to go

G

Ohhhh
