

Sallys Song
Smokie

G Em C G Em Hm
Sally`s gone, and I still don`t know why, she left me in the morning,
C D Hm Em
didn`t even say goodbye. I don`t know why she left me, don`t know
C G Hm Em
where she is she didn`t say, she just left a note that said I`m sorry
Am D
left her keys and walked away.

G Em C
Sally doesn`t live here anymore, took my heart and walked right out
G Hm Em Am D
the door. Left me here with nothing but some wornout 45:s. Don`t ask
Hm Em Am
me why she left, I`m just not sure, don`t ask how she is, I just
C Am D C G
don`t know, cause Sally doesn`t live here anymore.

Em C G Em
Two weeks gone, since Sally hit the road, I guess she got her
Hm C D Hm Em
reasons but I just don`t wanna know. And all the friends are calling
C G Hm
wondering if I know where she might be, well I`ve heard that some-
Em Am D
one seen her somewhere, but she sure ain`t here with me.

G Em C
Sally doesn`t live here anymore, took my heart and walked right out
G Hm Em Am D
the door. Left me here with nothing but some wornout 45:s. Don`t ask
Hm Em Am
me why she left, I`m just not sure, don`t ask how she is, I just
C Am D C G
don`t know, cause Sally doesn`t live here anymore.

Hm C D
She allways used to say she`d never leave me for another, allways
Hm C Am D
used to say that she would never let me down, now she`s gone.

Hm Em
Solo + all the friends are calling
C G Hm
wondering if I know where she might be, well I`ve heard that some-
Em Am D
one seen her somewhere, but she sure ain`t here with me.

Sally doesn't live here anymore, took my heart and walked right out
the door. Left me here with nothing but some wornout 45's. Don't ask
me why she left, I'm just not sure, don't ask how she is, I just
don't know, cause Sally doesn't live here anymore.

Original song by: The Boppers- Sandy.
