

Think About The Night
Smokie

When you close your eyes tonite
G C
Think of what we have
F
Don?t feel sadness don?t feel shame
G C
Cos we have true romance
F G
Oh we had it all, a love so bright
Am G
Like a diamond in the sky
F G
Before you sleep and dreams unfold
Am G
Bear me in your mind

F G Am
Think about the night
G
I held you in my arms
F G Am
And think about the fire
G
That burned inside our hearts
F Em C
Just think about the night

F
Kissed a tear from your eyes
G C
I held you close to me
F
And whispered this is not goodbye
G C
I?ll come back wait and see
F G
Oh we have it all we have our dreams
Am G
We have the heavens up above
F G
Before you sleep and dreams unfold
Am G
Think about our love

F G Am

Think about the night

G

I held you in my arms

F G Am

And think about the fire

G

That burned inside our hearts

F G Am

Think about the night

G

I held you in my arms

F G Am

And think about the fire

G

That burned inside our hearts

F Em C

Just think about the night
