with our tickets to some distant patch of sky

employing a few choice words

F#^          E^             B^
we flutter like captive birds

G#^
finally free

        F#^
but still afraid to fly

(Chorus 2, same as first)
if you don t care, i don t care
we don t belong together
cause we don t belong anywhere

if you re not sure, i m not sure
what all these tears are falling for
let s decide not to care anymore

(Verse 2, same as first)
assuming a plaintive pose
for reasons that neither knows
but we re both convinced we ll make it out alright
astoundingly still unclear
we stab at a faceless fear
as hand in hand we fall into the light

(Chorus 3, same as first)
if you don t care, i don t care
we don t belong together
cause we don t belong anywhere

if you re not sure, i m not sure
what all these tears are falling for
let s decide not to care anymore

(Bridge)
G#^   F#^   E^
anymore, anymore, anymore (x4)

(Verse 3, same as 2nd half of verse 1)
employing a few choice words
we flutter like captive birds
finally free
```

but still afraid to fly

(Chorus 4, same as first)
if you don t care, i don t care
we don t belong together
cause we don t belong anywhere

if you re not sure, i m not sure
what all these tears are falling for
let s decide not to care anymore

(Chorus 5, same as first)
if you don t care, i don t care
we don t belong together
cause we don t belong anywhere

if you re not sure, i m not sure
what all these tears are falling for
let s decide not to care anymore

G#   **F#**   **E^**
let s decide not to care anymore

G#   **F#**   **E^**
let s decide not to care anymore

G#   **F#**   (end on **E**)
let s decide not to care anymore
