

**Don't Leave  
Snakehips**

**F**  
You know me  
  
Now and then, I m a mess

**Bb9** **Dm**  
Please don t hold that against me

**F**  
I m a girl with a temper and heat

**Bb9** **Dm**  
I know I can be crazy

**Bb9** **Dm**  
But I m not just a fuck-up, I m the fuck-up you need

**Bb9** **Dm** **F**  
I don t hear nobody when you focus on me

**Bb9** **Dm**  
Perfectly imperfect, yeah, I hope that you see

**Bb9**  
Tell me you see  
  
Cause I know that you ve been thinking bout it

**F**  
Don t leave

**Bb9** **Dm**  
Shut your mind off and let your heart breathe

**C**  
You don t need to be worried

**F** **Bb9**  
I may not ever get my shit together

**Dm** **C**  
But ain t nobody gonna love you better

**F**  
Don t go

**Bb9** **Dm**

What we have here is irreplaceable

**C**  
No, I won't trade this for nothing

**F** **Bb9**  
I may not ever get my shit together

**Dm** **C** **F** **Bb9**  
But ain't nobody gonna love you better than me, yeah

**Dm** **C**  
Love you better than me (oh, whoa-oh)

**F** **Bb9**  
In a room full of people with you

**Dm** **C**  
I don't see anybody else, no

**F** **Bb9**  
When we fight, and you're right

**Dm**  
So sorry, I make it just so difficult

**Bb9** **Dm**  
But I'm not just a fuck-up, I'm the fuck-up you love

**Bb9** **Dm** **F**  
We ain't like nobody else, tell me so what

**Bb9** **Dm**  
Perfectly imperfect, yeah, baby, that's us

**Bb9**  
Baby, that's us

Cause I know that you've been thinking 'bout it

**Bb9**  
Sitting in the living room

You look at me, I stare at you

**Dm**  
I see the doubt, I see the love

I have and it is all for you

**Bb9**  
Let me wrap myself around you, baby

**Dm**

Let me tell you you are everything, you are

Losing my words, I don't know where to start

**Bb9**

But baby, don't leave me

**Dm**

Shut your mind off and let your heart hear me

I won't trade this for nothing

**Bb9**

I may not ever get my shit together

**Dm**

But ain't nobody gonna love you better
