Six Underground Tab - Sneaker Pimps

This song basically repeats F# and A throughout. It s pretty simple.

F#	A
e---2----	e---o---
b---2----	b---o---
g---3----	g---2---
d---4----	d---2---
a---4----	a---2---
E---2----	E---o---

F# **A**
take me down, 6 underground

F# **A**
the ground beneath your feet.

F# **A**
Laid out low, nothing to go

F# **A**
nowhere a way to meet.

F# **A**
I ve got a head full of drought

F# **A**
down here, so far off losing out,

F# **A** **F#**
round here. Overground, watch this space

A **F#**
I m open to falling from grace.

calm me down
bring it round
too way high off your street
i can see like nothing else
in me you re better than I wanna be.

don t think cos i understand i care

don t think cos i m talking we re friends

talk me down, safe and sound, too
strung up to sleep
wear me out
scream and shout
swear my time s never cheap

i fake my life like i ve lived;
too much
i take whatever you re given;
not enough

This is my first tab, let me know if there s anything that should be changed!
