[Verse 1]

C **Am** **E** **F**
It s like we just can t help ourselves
C **Am** **E** **F**
Cause we don t know how to back down
C **Am** **E** **F**
We were called out to the streets
C **Am** **E** **F**
We were called into the towns

C **Am** **E** **F**
How the heavens they opened up
C **Am** **E** **F**
Like arms of dazzling gold
C **Am** **E** **F**
With our rain-washed histories
C **Am** **E** **F**
Well, we do not need to be told

[Pre-Chorus]

Am **F**
Show me now, show me the arms aloft
Am **F**
Every eye trained on a different side
Am **F** **C** **G**
This magic, this drunken Semaphore, and I

[Chorus]

C **G** **F**
We are listening
Am **G** **F**
And we re not blind

This is your life
