G5   **D/G#**   **Csus2**   **G5**

We don t need anything, or anyone

If I lay here, if I just lay here,

would you lie with me, and just forget the world

G5   **D/G#**   **Csus2**   **G5**
 I don t quite, know how to say, how I feel
G5   **D/G#**   **Csus2**   **G5**
Those three words, I said too much, but not enough

[Chorus]

G5                        D/G#
If I lay here, if I just lay here
              C5                        G5
would you lie with me, and just forget the world
G5                              D/G#
Forget what we re told, before we get too old,
        C5                            G5
show me a garden that s bursting into life
```

[Bridge]

```
G5          D/G#        C5            G5
Let s waste time, chasing cars, around our heads
G5          D/G#            C5            G5 (hold)
I need your grace, to remind me, to find my own
```

[Extended Chorus/Outro]

(power chords)

```
G5                          D/G#
If I lay here, if I just lay here,

              C5                          G5
would you lie with me, and just forget the world
G5                                D/G#
Forget what we re told, before we get too old
        C5                              G5
show me a garden that s bursting into life

G5                          D/G#
All that I am, all that I ever was
                C5                            G5
is here in your perfect eyes, they re all I can see
G5                              D/G#
I don t know where, confused about how as well
                    C5                              G5
Just know that these things will never change for us at all
```

[Intro Riff]

```
G5                          D/G#
If I lay here, if I just lay here,
            Csus2                        G5
```

would you lie with me, and just forget the world.
