CHOCOLATE by snow patrol...-final straw

D **G**
This could be the very minute
I m aware I m alive
All these places feel like home

D **G**
With a name I d never chosen
I can make my first steps
As a child of 25

D **A** **G**
This is the straw, final straw in the
Roof of my mouth as I lie to you
Just because I m sorry doesn t mean
I didn t enjoy it at the time

D **G**
You re the only thing that I love
It scares me more every day
On my knees I think clearer

D **G**
Goodness I saw it coming
Or at least I ll claim I did
But in truth I m lost for words

D **A** **G**
What have I done it s too late for that
What have become truth is nothing yet
A simple mistake starts the hardest time
I promise I ll do anything you ask..this time
