Cubicles

Snow Patrol

This is new song by Snow Patrol which was with Crack the Shutters single....Leave one of their very songs i ve had the privilage of tabbing:)

Intro

C **F** X2 G

C

In the end

Your just as well being here

And out amongst

The frozen ponds and parks

I understand

The clarity, the solitude

But I m beginning to think

I said too much

Am G

My words don t turn you on

G Am

Your here less than your gone

Αm

G

The spark still fights the worst G

Where s the hunger wheres the thirst

C

Anymore

I felt the fight

I felt the good

So I m awake

Its not the dream

I hope it was the last

Your cubicles, your tentacles

Will still find you

You cant hide from all the weight and wear

My words dont turn you on Your here less then your gone The spark still fights the worst Where s the hunger wheres the thirst Anymore

Anymore(x5)
