

Hands Open
Snow Patrol

Capo Fret 1 or 3 Whatever you want.

Standard Tuning.

C G Am
It s hard to argue when
C G Am
You won t stop making sense
C G Am
But my tongue still misbehaves
C G Am
And it keeps digging my own grave

C G Am
With my hands open
C G Am
And my eyes open
C G Am
I just keep hoping
C G Am
That your heart opens

C G Am
Why would I sabotage
C G Am
the best thing that I have?
C G Am
Well, it makes it easier to know
C G Am
Exactly what I want

F#m C Em
It s not as easy as willing it all to be right
F#m C Em
Gotta be more than hoping it s right
F#m C Em
I wanna hear you laugh like you really mean it
F#m C Em
Collapse into me tired with joy

C G Am
Put Sufjan Stevens on
C G Am

And we ll play your favorite song

C **G** **Am**
"Chicago" bursts to life

C **G** **Am**
And your sweet smile remembers you
