

**How To Be Dead**  
**Snow Patrol**

Song: How To Be Dead  
Artist: Snow Patrol  
Album: Final Straw

Note: The F chord should be played open, not as a barre or power chord. This is because in F (II) you lift your finger of the A string for the right sound as you can see below!!

<b>F</b>	<b>F(II)</b>	<b>Bb</b>	<b>G</b>
E-1-	E-1-	E-1-	E-3-
B-1-	B-1-	B-3-	B-3-
G-2-	G-2-	G-3-	G-4-
D-3-	D-3-	D-3-	D-5-
A-3-	A---	A---	A-5-
E---	E---	E-1-	E-3-

**F** **F(II)**  
Please don t go crazy if I tell you the truth  
**Bb** **G**  
No you don t know what happened and you never will if  
**F** **F(II)**  
You don t listen to me while I talk to the wall  
**Bb** **G**  
This blanket is freezing its been out in the hall  
**F** **F(II)**  
Where you fed me for hours till I m sure what I want  
**Bb** **G**  
But darling I want the same thing that I wanted before  
**F** **F(II)**  
So sweetheart tell me what s up I won t stop no way.

Please keep your hands down and stop raising your voice  
It s hardly what I d be doing if you gave me a choice  
It s a simple suggestion can you give me some time  
So just say yes or no why cant you shoulder the blame  
Cos both my shoulders are heavy from the weight of us both  
You re a big boy now so lets not talk about growth  
You ve not heard a single word I have said, oh my god.

Please take it easy it can all be my fault  
I haven t made half the mistakes that you ve listed so far  
Baby let me explain something its all down to drugs  
At least I remember taking and ? ? ? ? ? ? ? ?  
It seems I ve stepped over lines you ve drawn again and again  
But if the ecstasy in the wait is definitely out

Dr Jekyll is rustled and Hyde from my pride

Short and Sweet!! Your Welcome!!
