C                     Am
Keep laugh until it hurts
Am                    F
It hurts  till we learn
C                     Am
Down the point of fear
Am                              F
But there s joy somehow in me!

Ponte:

        C          Am         G       F
You re not as strong as I am                   2x

C          Am
Oooh oh oh, this is what you really want
Am        F
