these woken feelings.

(As first verse)

All these words are useless
when i look into your eyes
it s the simple truth of perfect,
little secret.

You re the only thing I m sure of
and it makes it all so hard
all that other things are
broken out of focus.

I love you my own way
I love you better
I love you inside all this
I love you forever

In the blinding darkness
of the night it seems simple
all i know is that
I love you here right now.

It s not as if i wanted
to fall so hard for you,
or even understand
these woken feelings.

I love you my own way
I love you better
I love you inside all this
I love you forever (x2)
