(As first verse)
All these words are useless
when i look into your eyes
it s the simple truth of perfect,
little secret.

You re the only thing I m sure of and it makes it all so hard all that other things are broken out of focus.

- I love you my own way
- I love you better
- I love you inside all this
- I love you forever

In the blinding darkness of the night it seems simple all i know is that I love you here right now.

It s not as if i wanted to fall so hard for you, or even understand these woken feelings.

- I love you my own way
- I love you better
- I love you inside all this
- I love you forever (x2)
